

Minutes of the Joint Historic Preservation Commission

Village of Ellenville & Town of Wawarsing

Monday, January 8, 2018

The meeting was called to order at 4:12 P.M. by Chairman, Jeff Slade. Present were Bonnie Hull and Kay Hull. Paul Ross and Jeff Rubin were absent.

The minutes of December 11th were approved as circulated.

Under "Old Business", Jeff Slade reported the EPLM/JHPC project is moving forward. There will be more Historic Village of Ellenville Landmarks brochures printed and available. He is getting price quotes for signage and poles.

There was no further information presented regarding the Ellenville/Wawarsing Park or the Ellenville Fire Station.

Commissioners Ross and Rubin have both reapplied to serve another 3 year term on the JHPC. Their terms had expired as of 12/31/17.

One licensed Real Estate Broker has expressed an interest in working with us in an effort to better market local landmarked sites that are available for sale.

Under "New Business", the JHPC received a proposal from Ms. Herscher suggesting the placement of an historic marker in Port Ben to commemorate the site of the Old99er/Benny DePuy legend. We were able to speak with Ms. Herscher, by phone, during our meeting. Jeff advised her that our "mission" thus far, has been to identify buildings and obtain historic signage, and advise the property owners of any tax credits that might be available to them. The proposal is an interesting concept, but we felt that it should be discussed further when all commissioners are available.

There was no other "Commissioner Concerns" to discuss at this time.

The next meeting is scheduled for February 12, 2018 at 4:00 p.m. and today's meeting was adjourned at 5:00 p.m.

Respectfully Submitted,

Kay Hull, Secretary
